ABOUT THE WORKSHOP

Join our exclusive workshop designed for creatives and those who love to dream.
Work on a real TV series as part of the film and production crew,
gaining hands-on experience and valuable skills.

Work on a 3–5 minute documentary with real doctors in Cape Town.
Your work will air on DStv and be seen by 1.8 million viewers.
Receive credits on the show and get a copy of your episode to keep.

Work with and learn from industry professionals in a supportive environment.
This is a real-world, practical workshop that will teach you skills no book can.
It will also count as work experience you can add to your CV.

WHAT TO BRING

iPhone 13 Pro Max or Up
or any Flagship Android Phone
265 USB or Fast Speed SD Card to store your footage.
If you do not have the above, we will provide it for you.
